Magento2

Jaydeep Raj

Web Developer | Proficient in PHP, MySQLi, JavaScript |
Enthusiastic about Crafting Efficient Web Solutions
Aligarh, Uttar Pradesh, India

Summary

I am a passionate Web Developer with a diploma in Computer Science and Engineering. With hands-on experience in backend development using PHP and MySQLi and a flair for creating dynamic, interactive web interfaces with JavaScript, I specialize in designing efficient, scalable solutions. I am currently exploring Magento 2 as a new skill to enhance my expertise.
